MPark

Az MPark Mobilparkolási Rendszer 2006 óta nyújt ügyfelei számára a telefonszámlától független, elkülönült egyenleg terhére történő, aprópénzmentes parkolás-fizetési lehetőséget. A szolgáltatás kezdetben csak szórványosan, Magyarország egyes nagyvárosaiban volt elérhető, azonban 2014. július 1-től, a Nemzeti Mobilparkolási Rendszer viszonteladójaként országos lefedettséggel szolgáltatunk.

Ügyfeleink között több száz tagból álló gépjárműflották kezelését végző vállalkozások, közműszolgáltatók, kis-és középvállalkozások a legkülönfélébb tevékenységi körrel, illetve magánszemélyek egyaránt megtalálhatóak.

Szolgáltatásunk jellegzetessége a díjmentes, zöld számok hívásával kezdeményezhető parkolás indítás- és leállítás, amely telefontípustól függetlenül mindenki számára egyszerű kezelhetőséget jelent, valamint átlátható, rejtett költségektől mentes elszámolás, amely külön egyenleg terhére, a telefonszámlától elkülönítve, részletes kimutatással alátámasztva történik, lehetővé téve az átláthatóságot akár a bonyolult belső pénzügyi szabályokat alkalmazó cégeknek, akár azon ügyfeleinknek, akik saját nyilvántartásukban szeretnék nyomon követni pl. a munkavégzéssel összefüggő és
